

MISSION AND CORE VALUES ACKNOWLEDGMENT

Mission Statement:

The Mission of St. Joseph's Area Health Services and Catholic Health Initiatives is to nurture the healing ministry of the Church by bringing it new life, energy and viability in the 21st century. Fidelity to the Gospel urges us to emphasize human dignity and social justice as we move toward the creation of healthier communities.

Core Values:

The following are St. Joseph's Core Values:

Reverence, Integrity, Compassion, Excellence

In the event of employment, it is our expectation that you embrace the Mission and Core Values of St. Joseph's Area Health Services. These exemplify the standard of care we wish to achieve. Each employee is encouraged to foster these values, which give a style of caring and a sense of meaning to all we do.

I have read and understand the Mission and Core Values. In the event of employment, I pledge my commitment to the Mission, Values and Healing Ministry of St. Joseph's Area Health Services.
