CHI St. Joseph's Health is happy to announce that the grant funds will help provide assistance to those veterans in need so they may participate in the many exercise programs offered at the hospital. Assistance from this grant will be available to veterans, or immediate family members of veterans, that might otherwise be unable to afford exercise classes like MOVE, Parkinson's classes, Tai Chi, yoga, or the Cardiac Rehabilitation Phase III program. If you or anyone you know would benefit from this grant and the exercise and wellness services available, please call CHI St. Joseph's Health at 218.616.3000.
